BRIEF ABSTRACT OF LETTER

Requests sanction to the grant of an additional allotment of Rs 150/- to enable the Dy Com Kolar Distt to adjust the travelling payment in connection with the District Conference held during the current year

NOTES AND ORDERS.

J

It is explained in the P.N. as to why an excess of Rs 50 3/- over the govt grant of Rs 150 allotted for the purpose was incurred in connection with the Kolar District Conference held during the current year. According the Govt Order of 3rd Feb 1938 the D.C Kolar ought to have limited the expenditure to Rs 150 only and the Rev Com has pointed out that the D.C's action in having obtained contributions from the local bodies without specific previous sanction of Govt therefor, is irregular.

Additional grant for the Kolar

File No. of 1938. | General and Revenue Secretariat

The local bodies have contributed nearly Rs 325/- and while the expenditure is exceeded by Rs 175/. To meet this extra expenditure, the D.C. has proposed to adjust a sum of Rs 25/- out of the unspent balance of allotment sanctioned for the Gudibanda Sub Taluk Conference and for meeting the balance he has asked for an additional allotment of Rs 150/- The Rev Com^r does not point out if there are any savings under Rural Reconstruction grant It is perhaps late to place a demand before the L.C. for this additional allotment

The Rev Com^r does not agree with the D.C with regard to the latter's proposal made at para 5^th of his letter

Subject to the orders

The amount may in the circumstances explained, be sanctioned & debited to L.S.G. The D.C. may be instructed not to incur liability in excess of the limits prescribed

Chief Secy

I feel that Rs 150/- will not be sufficient for a Dist Conf^ce The Conference serves a useful purpose and Extra Expre is quite justified If an Exhibition is also arranged, the Excess in Expre is unavoidable. The Excess Expre incurred may be sanctd and the grant to Dist Conferences may be raised to Rs 300/- for each Dist.

Additional allotment for the Kolar District Conference

5) A special allotment of Rs. 150 has necessarily to be sanctioned for the last conference as recommended by the Revenue Commissioner as there seems to be no other alternative. The observations made by the Revenue Commissioner (A) may also be communicated.

6) The Chief Secretary's proposal to increase the grant for the District Conferences from Rs. 150 to Rs.300 involves an extra recurring expenditure of Rs. 1,350 per annum and is not acceptable to the Finance Department. Expenditure on account of these conferences should be on a minimum scale. It is for consideration whether there is real need for separate exhibitions every year in each district when an exhibition is held at Mysore every year.

L.R. 5-89-38-1

To Rajasevaprasakta

Chief *Secretary to the Government of*
His Highness the Maharaja of Mysore,

SIR,

Subject:- Additional grant of Rs.150/- for the Kolar District Conference and Exhibition during 38-39.

In forwarding herewith a copy of Kolar Deputy Commissioner's letter No.C.1-C.2942/38-39 dated 10th June 1939 on the above subject, explaining the circumstances under which excess expenditure was incurred etc., I have the honour to state that the Deputy Commissioner reports that the total expenditure incurred in connection with the Conference was Rs.653/- as against the sanctioned Government grant of Rs.150/- and that the increase in expenditure was largely due to (1) Organisation of an Exhibition of Industrial and Agricultural products and (2) Conference of local bodies (Municipalities and Village Panchayets) as adjuncts to the general Conference. As approved by the Committee of Officers and non-official gentlemen formed for working out the details of the Conferene, the District Board, Kolar Gold Fields Sanitary Board and the several Municipalities in the District, were requested to contribute funds towards the Conference, and in response to their request, it is reported that a sum of Rs.325/- was realised. Thus the total amount available including the Government grant of Rs.150/- was Rs.475/- as against which, an expenditure of Rs.653/- has been incurred as per details noted in the annexed statement, thus resulting in an excess expenditure of Rs.178/-. To meet a portion of the extra expenditure the Deputy Commissioner proposes to adjust a sum of Rs.25/- out of the unspent balance of allotment sanctioned for Gudibanda Sub Taluk Conference which has been ordered to be utilised for some Rural Reconstruction work in the Sub Taluk. As there is no source for meeting the balance

the excess expenditure the Deputy Commissioner has asked for an additional allotment of Rs.150/- out of the Rural Reconstruction grant or if there is no reserve, to get a special grant from Government to enable him to adjust the pending bills.

2. In Government Order No.G.3532-600/L.R. 219-37-2 dated 3rd February 1938 reviving the scheme of holding District and Taluk Conferences, Government have specifically said that the expenditure connected with the Conferences should be limited to certain items necessary for the purpose which should be settled before-hand, and bearing this idea in view, they have fixed the expenditure at Rs.150/- and Rs.75/- respectively for each District and Taluk Conference. According to this order, the Deputy Commissioner ought to have limited the expenditure to Rs.150/- only, and his action in having obtained contributions from the local bodies without specific previous Government sanction therefor, is irregular. However the contributions have been obtained from the local bodies and an expenditure of Rs.653/-, has also been incurred. There is therefore no way out but to sanction an additional allotment of Rs.150/- required by the Deputy Commissioner to meet the pending bills. In these circumstances, I recommend that a special allotment of Rs.150/- may be sanctioned by Government with the observation that the taking of contributions from the local bodies was irregular and should not recur.

3. The Deputy Commissioner has made another proposal in para 5 of his letter. He wants to organise an exhibition on a grand scale every year as an adjunct to the general conference and incur a very large expenditure of Rs.650/- every year. For this purpose, he proposes to dispense with the holding of the Kolar Taluk Conference altogether and reduce the allotment for each of the other Taluk Conferences from Rs.75/- to Rs.50/- and thus utilise the savings effected thereby towards the District Conference, besides obtaining contributions from the local bodies. The changes and suggestions made by the Deputy Commissioner militate against the principles on which the scheme of holding these conferences has been revived and I cannot

cannot support them.

I have the honour to be,

S i r,

Your most obedient servant,

Revenue Commissioner.

SUBJECT:--ADDITIONAL GRANT FOR THE KOLAR DISTRICT CONFERENCE AND EXHIBITION.

Sir,

In continuation of my letter of even number dated 28-5-39 forwarding copies of reports of the Conference and Exhibition held from 17th to 21st May 1939. at Kolar, I have the honour to state that the total expenditure amounted to Rs.653/- as per details furnished in the statement (flagged 'A'). There is thus an excess of Rs.503/- over the Government grant alloted for the purpose. The increase is mainly due to the organisation of an Exhibition of industrial and agricultural products which was a special feature of this year's conference. A conference of local boards in the District (Municipalities and Village Panchayets) was also held separately as an adjunct to the General Conference and this accounts for some extra expenditure.

2. A mixed Committee of Officers and non-official gentlemen was formed, for working out the details. At a meeting of the Committee held on 1-5-1939, it was resolved to request the several Municipalities in the District, the District Board, Kolar and the Kolar Gold Fields Sanitary Board, to contribute their quota towards the expenses of the conference. Since it was decided to hold a conference of local Boards and an Exhibition, as useful adjuncts to this year's conference, the Committee resolved to request the District Board, the K.G.F. Sanitary Board and the Municipalities for voluntary contributions having regard to their resources. Assured of the support from these local bodies, the Committee approved the following Receipts and Expenduture:--

Receipts.

1. Government Grant. Rs.150/-

2. Contribution from the Kolar District Board.		Rs.100/-
3. K.G.F. Sanitary Board.		" 75/-
4. Contributions from Municipalities.		" 150/-
	Total.	Rs.475/-

Expenditure.

1. Printing charges.		Rs.60/-
2. Lunch for two days on the 17th + 18th May 1939.		Rs.195/-
3 Pages for Exhibits		" 75/-
4. Admission charges.		" 100/-
5. Garlands and Flowers.		" 15/-
6. Music.		" 5/-
7. Contingencies.		" 25/-
	Total.	Rs.475/-

3. From the statement of final accounts prepared in connection with the conference and exhibition, it will be seen that the expenditure is exceeded by Rs.175/- for reasons stated below. About 500 copies of subjects sent up by the members for discussion, had to be printed, together with 200 English copies and 500 Kannada copies of the report of work done in the District during the year and the speech of the Deputy Commissioner. There was therefore an increase of Rs.104-9-0 under Printing charges. The conference Committee felt encouraged by the splendid response, in the matter of collection of Exhibits from different parts of the District and it was therefore considered desirable to maintain a permanent record of the more important stalls and special exhibits by a collection of their Photographs and with this object in view, a sum of Rs.36-12-0 was spent for the purpose. Under Miscellaneous items and contingencies, the increase of about Rs.25/- was unavoidable.

4. To meet the extra expenditure, I propose to adjust a sum of Rs.25/- out of the unspent balance of allotment sanctioned for the Gudibanda Sub Taluk Conference during the current year. This arrangement modifies proposals made by me in this Office letter No. M2.C.458/38-39 dated 27-3-39. There is no other source from which

which the balance of Rs.150/- could be met. Therefore, I have the honour to request you to be so good as to place at my disposal a sum of Rs.150/- out of savings if any under Rural Reconstruction Grants in the current year's budget or to obtain sanction of Government for an additional allotment of Rs.150/- as a special case, to enable me to adjust the bills pending payment.

5. I wish to make the following proposals for financing the District Conference and Exhibition in the coming years. From actual experience, I find that, ordinarily, a sum of Rs.650/- would be required each year to meet expenses incidental to the holding of a conference and an exhibition. Since the result of our endeavours to hold a District Exhibition has proved --- eminently successful, it is proposed to make this an annual event. A draft budget on this basis, is prepared for your approval.

RECEIPTS.

1. Government Grant as fixed in G.O.No. R.3532-600-L.R.219-37-2, dated 3rd February 1938.	Rs.	150/-
2. Contributions from the District Board.	"	100/-
3. From the K.G.F.Sanitary Board.	"	75/-
4. Savings from reduced grants for Taluk Conferences at the rate of Rs.25/- each for ten taluks.	"	250/-
5. Savings from the Grant to Kolar Taluk for the conference.	"	75/-
Total...		650/-

EXPENDITURE.

1. Printing charges.	Rs.	165/-
2. Lunch charges.	"	200/-
3. Postage.	"	15/- (Provisional)
4. Contingencies.	"	25/-
5. Medals and certificates.	"	85/-
6. Garlands and flowers.	"	20/-
7. Lighting charges.	"	50/-
8. Music.	"	15/-
9. Stall charges and labour and miscellaneous items.	"	75/-

6. According to G.O. No.R.3532-600/L.R.219-37-2 dated 2-3-1938, a sum of Rs.75/- has been fixed as the annual allotment for each Taluk Conference. Having regard to actual requirements of each Taluk in the District and from experience gained during these two years, I am of opinion that the allotment may be limited to Rs.50/- in each case. Further, I am inclined to think that the holding of a separate Taluk Conference for the Headquarter Taluk (Kolar) is practically unnecessary, as the subjects intended for discussion, may well be included in the agenda of the District Conference. This arrangement will dispense with the necessity of making a separate grant of Rs.75/- for the Kolar Taluk Conference. If both these suggestions noted above are accepted, there will be anet saving of Rs.325/- as noted in the margin, available for expenditure and the total grant for the District Conference may be correspondingly raised by Rs.325/- making an aggregate grant of Rs.475/- instead of Rs.150/- as at present. The balance of Rs.175/- could be easily met by contributions from the Kolar District Board and the K.G.F. Sanitary Board at the rate of Rs.100/- and Rs.75/- respectively. There would be no need, in these circumstances to ask for any contributions from the Municipalities in the Distr in future.

Cancellation of:-	
1. Grant to Kolar Taluk Conference...	Rs.75/-
2. Reduction of grant to other Taluks at Rs.25/-each for ten Taluks.....	" 250/-
Total	" 325/-

7. If the foregoing proposals are approved, I have every confidence that the District Conference and Exhibition could be organised on a decent scale with beneficial results. Further there would be no necessity to approach Government for an additional grant. I have the honour to request you, therefore, to be so good as to obtain sanction of Government to my proposals and in the meanwhile to sanction an additional grant of Rs.150/- for the current year, as a special case. As the official year

official year is coming to a close and a number of bills are outstanding adjustment, the favour of very early orders is requested.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Yolar District.
